2026 FALL CLEAN-UP

FREE Bulky Item Collections: November 16 - 20, 2026

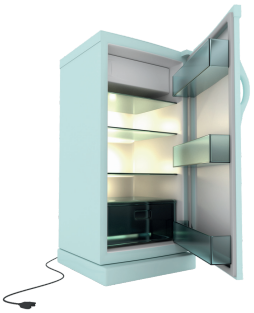

Twice per year, NASA offers residential customers the ability to place unlimited amounts of Bulky Items at the curb for FREE. These collection events are designed for residents to dispose of larger items that don't generally fit into the recycling, green waste, or trash containers. NASA collects these materials and recycles or properly disposes of them.

Search the Calendar on the City website for more information on the dates of each clean-up event: lcf.ca.gov/calendar

Clean-Up

WHAT'S ACCEPTABLE?

- Furniture such as chairs, sofas, mattresses, and rugs.
- Appliances such as refrigerators, ranges, washers, dryers, water heaters, dishwashers, plumbing, small household appliances, and similar items.
- Yard waste, such as tree branches and scrap wood, ***tied in bundles***, up to 4′ long.
- Clothing, placed in a box or bag.
- E-waste such as computers, telephones, radios, stereo equipment, compact disc players, televisions, computer monitors, and any other electronic device listed in the regulations adopted by the California Department of Toxic Substances Control pursuant to California Health and Safety Code Section 25214.1.1(b).
- Other non-hazardous household items which do not fit inside the trash or recycling containers.

NASA Services encourages the donation and refurbishment of items first, before disposing of them. "One man's trash is another man's treasure," and many valuable resources get tossed into landfills that could have been salvaged and reused.

WHAT'S NOT ACCEPTABLE?

- Automobiles, auto parts, spas/jacuzzis.
- Hazardous materials such as oil, solvents, or paint. For a full list & information on disposal, contact 1-888-CLEANLA or 888CleanLA.com.
- Construction debris, such as concrete, asphalt, drywall, and lumber.
- Other items that require more than two people to collect, such as tree stumps and equipment.

TWO WAYS TO PARTICIPATE

1. **Place items at the curb** on your regular collection day during the specified period listed above.
2. **Call for a special collection**. In addition to the Spring or Fall Clean-up, residents can call during any time of the year and receive two special collections with a total of 4 items, each call, at NO CHARGE!

MAKE SURE ALL ITEMS ARE AT THE CURB NO LATER THAN 6 AM ON YOUR REGULAR DAY OF COLLECTION.

PROPER SORTING OF MATERIALS INTO GREEN, BLUE, & BLACK CONTAINERS

California law, Senate Bill 1383, requires that all residents MUST participate in the established recycling and organics programs offered by your hauler.

NASA's program allows residents to commingle food waste and food soiled paper with yard trimmings. It is very important to follow the guidelines below as each authorized hauler may have differing programs.

As required by law, NASA staff will monitor the containers for proper sorting and contamination.

ORGANICS CONTAINER

- Bread, pasta, & grains
- Cooked meat, bones, dairy, & seafood
- Coffee grinds & filters, & tea bags
- Fruit & vegetable scraps
- Garden trimmings, grass clippings, flowers, leaves, & weeds
- Small branches & prunings
- Soiled paper

RECYCLABLES CONTAINER

- Cardboard, paper, newspaper
- Clean & dry metal containers & products
- Glass bottles & containers
- Plastics #1, #2, & #5.

FOR PLACEMENT IN THE GREEN CART

*Food waste **must** be placed in a clear plastic bag. Yard trimmings **must** be loose & unbagged.*

NEVER put E-waste, hazardous waste, liquid, toxic wastes, chemicals, bulky items, large furniture or stumps, or combustible/flammable materials in your containers.

Visit NasaServices.com for more information on proper disposal of these materials.

GARBAGE CONTAINER

- Chip bags
- Diapers
- Disposable gloves & masks
- Pet waste
